The screenshot displays the main interface of the AJAX software. At the top, there's a header bar with a back arrow, forward arrow, refresh button, and a search icon. The URL 'ajaxone.ajax-engg.com/Home...' is visible. On the right side of the header are icons for search, refresh, star, square, and user profile, with the text 'SACHIN DV' next to the profile icon.

The main content area features the 'AJAX' logo at the top left. To its right is a toggle switch icon (represented by a grid of squares) which is highlighted with a red box and a blue callout bubble containing the text: 'Toggle switch to hide & unhide Menu Items to have more display area, especially to view reports and graphs effectively.'

The left side of the screen contains a vertical navigation menu with a red border around it. The menu items are: Admin, Master, Activities, PreSales, Task, Dashboard, and Help. Each item has a small icon and a dropdown arrow.

The central part of the screen is titled 'Welcome' and contains five cards:

- Lead Status Open: 0
- Lead Status Assigned: 9
- Lead Status Quotation: 26
- Today's Follow Up: 0
- Tomorrow's Follow Up: 0
- Future 7 days Follow Up: 0

At the bottom right of the screen is a toolbar with icons for home, calendar, list, message, phone, and power, along with a magnifying glass search icon.
